

2024-2025 PUBLIC REVIEW NOTICE

The proposal is prepared annually by LVCAP and is submitted to the Cabinet for Health and Family Services and Community Action of Kentucky. It describes LVCAP's plan for use of the funds in the five-county Buffalo Trace communities, which includes agency capacity building, civic engagement and community involvement, employment, education and cognitive development, income, infrastructure, and asset building, health and social/behavioral development, linkages, and services supporting multiple domains. It also includes results of the local community needs assessment.
